## CHIKMAGALUR DISTRICT.

Notification dated 5th June 1954.

*Subject.*—Sale of 1,750 repairable, 21,874 unserviceable and 3,400 pieces and rags of gunnies.

**No. Cl. P.R. 235—53-54.** It is notified for the information of the public that 1,750 repairable, 21,874 unserviceable gunnies and 3,400 pieces and rags of gunnies available in the Central Depot, Chikmagalur will be disposed of by sale in public auction on 5th July 1954 at Central Depot, Chikmagalur, at 12 NOON by the Sub-Division Officer, Chikmagalur, subject to the following conditions.—

1 The intending bidders should, before the commencement of sale, deposit a sum of Rs. 100 (one hundred) in cash, with the sale conducting officer. The deposit amount of the unsuccessful biddors will be returned to them, immediately after the sale is concluded.

2 The successful bidder should deposit *one-third of the bid amount* in cash immediately after the sale is concluded and he should remove the entire stock within one week after the receipt of the intimation of confirmation only after paying the balance of amount, failing which, he will be made liable to make good the loss, if any, to the Government on account of resale of the gunnies. He will not, however, be entitled to share the profit that may accrue on resale of the gunnies.

3 The sale of gunnies is subject to the confirmation by the Director of Food Supplies in Mysore, Bangalore.

4 The gunnies offered for sale may be inspected by the intending purchasers at the depot on all the working days during working hours.

5 Each category of gunnies will be sold separately. The gunnies have to be accepted by the successful bidder as they are bundled up, and no re-sorting or re-bundling will be allowed.

6 The delivery of the gunnies is ex-godown and the successful bidder should make his own arrangement to remove the entire stock from the depot within the stipulated time.

7 The successful bidder will be entitled to no compensation or relief whatsoever, in the event of cancellation of the sale.

8 Non-fulfilment of any or all the above conditions will not only make the sale purchaser forfeit the money deposited by him with the officer conducting the sale, but he will also render himself liable to make good any loss to Government consequent on resale. The same will be recovered as arrears of land revenue.

M. S. SHANKARA RAO,
2254 *Deputy Commissioner.*

## OFFICE OF THE SUPERINTENDENT, ALIPURAM JAIL, BELLARY.

Notification dated 29th May 1954.

*Tenders for Disposal of old Gunnies, Empty Tins and Dealwood Boxes of the Alipuram Jail, Bellary.*

Notice is hereby given that the Superintendent, Alipuram Jail, Bellary, will receive sealed tenders on half-foolscap size paper at 11 A.M. on Friday, the 2nd July 1954 for purchase of the articles mentioned below.

| | | |
|---|---|---|
| 1 | Old empty gunnies ... ... | 1,550 |
| 2 | Old empty dealwood cases .. ... | 83 |
| 3 | Old empty milk powder tins (big size) ... | 134 |
| 4 | Old gingelly oil tins ... ... | 165 |

1 The tenders will be received in the premises of the Alipuram Jail, Bellary.

2 They should deposit an earnest money of Rs. 50 (Fifty only) for all the articles stated above.

3 No earnest money or tender will be received after the time fixed.

4 The tenders should be superscribed as "Tenders for disposal of old gunnies, empty tins and dealwood boxes".

5 The articles will be delivered to the successful tenderer only after the approval of Inspector-General of Prisons, Mysore State, as otherwise earnest money deposit will be refunded.

6 Earnest money will be forfeited in case the successful tenderer fails to remit the sale proceeds and remove the articles within a period of seven days from the date of receipt of intimation of acceptance and the articles will be reauctioned at his risk.

7 The Inspector-General of Prisons, Mysore State, reserves the right to accept tender in whole or in part.

8 Further information on any point concerning the notification can be had from the Superintendent, Alipuram Jail, Bellary.

9 Intending tenderers may quote for separate items also.

10 The tenderers may inspect the stocks at the Jail Premises during the working hours on working days.

C. DORAISWAMY,
1993 *Superintendent.*

Dated 21st June 1954.

To

Messrs. Abdul Cureem & Sons,
28-29, Chickpet, Bangalore-2.

Local Indent No. 14480.

*Subject.*—Contract for the supply of Khaki and Blue Mill-made cloths, to the Mysore Government Departments during 1954-55.

Gentlemen,

**No. S.P.C. 17113.** I write to request you to be so good as to enter order for the materials described in the following schedule at current mill rates and arrange to make supplies on indents from such of the departmental officers as may require the materials and in such quantities as may be required by them, from time to time, all indents being complied with within a fortnight from the date of receipt.

The contract will be deemed to be limited to the quantities to be actually drawn by the departments.

This contract will be in force from this date up to the end of June 1955 subject to termination of contract earlier after giving one month's notice and the material will have to be supplied throughout the said period.

Please note that the materials to be supplied should strictly conform to the specified quality, failing which, they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection. Failure to make supplies in time and in accordance with the approved quality will entail cancellation of the contract and purchases being made from other sources debiting the extra cost, if any, incurred by Government to you. In such an event, the Stores Purchase Committee also reserve the right to levy a penalty as and by way of liquidated damages at 3 per cent of the value of the order.

You should now arrange to enter into agreement with the Secretary, Stores Purchase Committee and deposit a sum of Rs. 500 as security for the due fulfilment of contract within two weeks from the date of receipt of this order, failing which the order will be cancelled. The security deposit is liable to be forfeited either in full or in part for default or breach of any of the conditions of the contract.

The materials should be carefully and securely packed, so as to avoid damages during the transit. Such of the materials as might be received in a damaged or unserviceable condition will be required to be replaced free of all cost to us. The materials should be fully insured against losses and damages, if necessary.

The bills of cost should be sent in duplicate to the Indenting Officers who will arrange payment.

The Indenting Officers are requested to send certificates of exemption from Octroi Duty to you, while placing orders for the requirements of their departments.

The above indent number should be quoted in all correspondence relating to this order.

You are required to furnish information in Forms 'A' and 'B' Statements every month (specimen copy enclosed).

Please acknowledge receipt of this communication.

Schedule of order placed with Messrs. Abdul Cureem & Sons, Chickpet, Bangalore City.

This enquiry will be closed on the 5th July 1954.

SCHEDULE.

F. O. R.

Tarikere Railway Station (Mysore State)

Specification for Steel Pipes.—

1. These pipes are meant for using as suction and delivery pipes of jeager pumps used for unwatering the foundations of the dam. They should be very light so as to facilitate easy handling in slopes and akward places. Regular standard specifications are necessary for the Steel Flanges only. They should conform to B.S.S. Class C with holes drilled accordingly. All the Pipes may be made 3/4" thick of mild steel plates welded longitudinally with steel flanges welded at the either ends. Similarly the bends.

| | | |
|---|---|---|
| (a) 10" bore flanged pipes 8 feet long, No. required | ... | 20 |
| (b) 10" bore flanged pipes 4 feet long, No. required | ... | 6 |
| (c) 10" bore flanged pipes bend 90° Medium No. required | ... | 4 |
| (d) 10" bore flanged pipes bend 45° No. required | ... | 4 |

2. All the pipes and bends should be tested to a working head of 100 feet only.

3. Two coats of good black anti-corrosive paint should be given to the pipes both inside and outside.

4. The flanges should be machined both inside and outside, to give good water tight joints.

5. The materials should be supplied within one month from the date of placing orders.

N.B.—1 The quotations with firm prices will be preferred.
2 Sales-Tax, if any, should be quoted separately.
3 The quotations with firm prices will be preferred.

Dated 21st June 1954.

To

The firms dealing in Sluice Valves.

*Enquiry No.* 12463.

Sluice valves required for Water Supply Works to Thirthahalli Town.

**No. S.P.C. 15272-301.** In continuation of this office No. S.P.C. 15334-63, dated 9th June 1954, in respect of the above enquiry, please note that the valves should conform to the following specifications :—

"The valves shall be of the standard water works pattern and of heavy and sturdy make with double flanges and wedge door type. The body to be of close grain C.I. of second casting. Spindle to be of rolled or forged brass or gunmetal with square threads and the top fitted with a C.I. cap. The diameter of spindle for 3" valves is to be 7/8" and bigger for larger size valves as per B.S. Specifications. The spindle nut to be gunmetal to suit the square threads of the spindle. The direction of opening should be clockwise and arraw to be cast on the dome position and also on the top C.I. Gland piece. Flanges to be machined and holes drilled to suit B.S.S. Class C. The distance between flanges shall be 9 3/8" for 3" valves and more for bigger size valves according to standard practice. Weight to be 68 lbs. for 3" valves and correspondingly more for bigger valves. Packing should be securely made so that the spindle or flanges may not be damaged in transit.

"The rates are to be quoted f.o.r., Shimoga and the delivery to be made within 3 months on receipt of order".
